- **I am retired and will devote all the time needed to serving.**
- **I am uniquely qualified** for these challenging times.
- **My professional training** (Doctor of Education) and professional life: classroom teacher, principal, asst. superintendent, superintendent and university instructor.
- **My knowledge of school finance and my years of experience** in the budgeting process in school districts, and my training and teaching school finance at the university level are valuable assets. I am qualified to make decisions about educational priorities which are educationally and financially prudent.
- **I am a strong advocate for students, teachers, parents, and quality education.**
- **I value and respect classroom teachers;** the backbone of the educational process.
- **I am a 25 year resident of St. George**
- **Service is one of my core values.** I have volunteered in humanitarian aid for several years. I now want to direct my efforts to local community service.
